

Select a Major with

FOCUS 2 is self-paced and includes career assessments and resources designed to help you explore your values, interests, personality, and skills as they relate to possible majors and careers.

Directions:

- Go to career-services.phsc.edu
- Scroll down the page and click the yellow “Login to Focus2” button
- First Time Users: the PHSC access code is **imagine**
- **Complete:** Work Interest, Personality, Skills, Values, and Leisure Interests Assessments
- Use your results to explore possible careers and majors
- Select and print your “**Top Choice**” Major Area of Study to discuss with an academic advisor
- Schedule an appointment with an academic advisor to develop your course schedule

Self Assessment

- On the Main Menu, click on and complete the following 5 assessments: Work Interest, Personality, Skills, Values, and Leisure Interests.
- Scroll down and review the list of matching occupations. Careers associated with PHSC majors will be listed first, and alternative careers can be viewed by clicking on the (+) button
- Identify occupations that appeal to you – click each job title to reveal its profile

MANDATORY: Select a Major (Education Requirements)

- Select an occupation of interest
- Click on Education Requirements (sixth tab) to see plausible majors for this occupation
- View **Most Common Majors/Areas of Study** list with descriptions and select top preference(s)
- To explore other occupations click back. If complete, click the home button in the top left corner.

MANDATORY: Review & Select a Top Choice Major

- On the home screen, scroll down to the bottom of the page and Click the My Saved Majors button
- Click the “Make Top Choice” button to select the major that appeals to you most
